One-offs

One off events

We will be organizing a variety of one-off trips, special days, and workshops throughout January, February, and March. These events will be announced separately from the timetable and shared in the WhatsApp groups. Please note that there will be no sessions during the February half term, allowing us to offer unique experiences in different areas of East Sussex.

For each one-off event, you will need to reserve a spot. If spaces are limited or if we receive more bookings than available spots, places will be allocated fairly, and a waitlist will be established in case any openings arise.
